***No Interest if Paid in Full Within 6, 12 or 18 Months**

On purchases made with your CareCredit card. A minimum purchase amount may be required for promotional plans longer than 6 months in duration. Interest will be charged to your account from the purchase date if the promotional balance, including optional charges, is not paid in full within 6, 12 or 18 months or if you make a late payment. Minimum Monthly Payments Required.

CareCredit® Offers Two Types of Payment Plans:

- **No Interest***
- **Low Interest**

Here's How They Work:

6, 12 or 18 Month No Interest* Payment Plans

- Pay for treatment over 6, 12 or 18 Months with No Interest*.
- As long as you pay the low minimum monthly payment each month when due, and the balance in full by the end of the 6, 12 or 18 month term, no interest will be charged on your purchase.

24, 36, 48, or 60 Month Low Interest Payment Plans (14.90% APR)

- Enjoy low minimum monthly payments with the 24, 36, 48, or 60 month plans.
- The 14.90% annual percentage rate is lower than average credit cards and makes convenient, fixed, low minimum monthly payments possible.
- For amounts of \$1,000 or more on 24, 36 and 48 months, and for \$2,500 or more on 60 months.

CareCredit's Payment Plans can be used repeatedly — for yourself, your entire family, and even your pets — with no need to reapply.^o

** See back panel for details.

[^] Under the No Interest Plans, each month you only need to pay the required minimum monthly payment. The amounts in these columns are the suggested amounts to be paid if you choose to make equal monthly payments, to take advantage of the promotion, avoid interest and pay only the amount financed. Future minimum payments will vary based on amount and timing of payments, interest rate and other charges added to the account.
